Our Partners

Our Valued Clients

Corporate Social Responsibility

To support the community by committing more efforts and assets to helping the non-profit sector, charities, and people with physical or mental impairments. As part of our corporate social responsibility, we make all our products and services more accessible by offering them at low or zero cost to people and organizations.

To minimize the impact of business on the environment using sustainable energy, responsible water use, recycling, and proper waste disposal.

Provide employees with a healthy working environment to let them work comfortably and deliver their best performance. To give employees the opportunity to grow, enhance their skills and knowledge to become productive members of the organization and the community.

%10 of Bakkah net profit will be granted to serve our CSR initiatives.
