WHO
WE ARE?
Bakkah is a Saudi management consulting and education company that offers a wide range of products and services. We develop solutions tailored to our customer’s needs.

Our team of highly experienced, certified professionals help you reach the best decisions that ensure you realize optimum business profits by delivering projects on time, cost, and quality. We pride ourselves in having the skills and knowledge based on best industry practices that enable us to provide a myriad of solutions for business strategy to the most functional and operative areas.

The solutions that we provide to the customers contain management consulting which ranges from business strategy to the details of operational development.

We also provide a training service that helps organizations to develop the performance of their human resources by providing them with the necessary knowledge and skills that increase their experience and capabilities. Consequently, the organizations performance quality will increase and will help in achieving their required objectives.
To be the company of choice for providing management consulting and professional education services, utilizing the state-of-the-art business models, methodologies and tools.

Build capabilities for our clients and employees. We unleash potentials for individuals and transform businesses through sustainable value creation.
Bakkah Values

**Integrity & Diligence:** We will be guided by the highest standards of ethical business conduct.

**Sustainable Value Creation:** We are committed to creating value. We deliver tangible and positive change.

**Ownership & Accountability:** We do what we say we will do. We stand behind our promises.

**Socially Responsible:** We will make a positive impact on the communities where we do business.

**Care:** we make the effort to understand every individual and what matters to them, recognize the value that each person contributes, and support others to grow and work in the ways that bring out their best.

**Collaboration:** We will collaborate and share relationships, ideas and knowledge beyond boundaries. Seek and integrate a diverse range of perspectives, people and ideas. Give and ask for feedback to improve ourselves and others.

**Exhaust all Possibilities & Take Risks:** We will do everything possible to find a solution even if that means taking calculated risks. We will do what others aren’t willing to do.
Bakkah

in numbers

+300 Clients

+600 Client Engagements

+1,000 Learning Sessions

+20,000 Capabilities Built
Why do we focus on management consulting?
Because it helps in:

Maximizing the use of financial and human resources.

Exploiting the resources to achieve the desired objectives.

Defining errors and providing solutions to solve it.

Avoiding unwarranted costs that lead to limited results.
Why do we focus on training?

Companies that invest in employee training enjoy 24% higher profit margin versus companies who don’t.

Companies that often send their employees on training courses have 37% higher productivity rate and 21% income increase per employee.

25% of companies admitted that their onboarding program does not include any form of training, which leads to a loss of 60% of a company’s entire workforce.
Why Bakkah?

Talented and professional team.

High professional standards & integrity.

Understand individuals' interests and personal preferences.

Customized solution based on customer's needs.

Superior quality services based on best practices.

Global solutions and techniques with local suitability.

Understand local market's needs.

Sample of our valued clients
In terms of social responsibility and because we are part of this society, we in Bakkah have taken it upon ourselves to work on developing some programs that will work to spread knowledge and increase competencies in this society.
We provide the payments installment choice in some of our courses to help those who are unable to pay the full amount for once.

Payment installment

We design this program to improve charities to continue exerting giving efforts to their beneficiaries through our consultancy services.

Persons with Disabilities (PwDs)

we aim to enable Persons with Disabilities (Hearing, visual and physical impairment) to help them integrate with the rest of society in all areas that they can work in.

University & College Students

we seek to support the future youth and help them maintain their journey towards gaining and developing capabilities required in their respective fields.

Charity Organizations

we design this program to improve charities to continue exerting giving efforts to their beneficiaries through our consultancy services.

Giving Program

It’s one of Bakkah Inc. programs within CSR initiatives for which %1 will be deducted from our training and consultancy services and will be granted to one of ten approved charities by MLSD.
